Happy Holidays!

Around The Horn

Now that summer has come to an end, it's time to get out of the pool and into one of the City of Buffalo's seven Recreation Centers. This year besides our regular scheduled programming we are always excited to bring in new educational and Recreational programming. For the 10th straight year on January 14th we will once again be the guests at Canisius College for an afternoon of Basketball instruction, lunch, greet the players and coaches and then cheer on the "Griffs" in a great college basketball match up. Every year this event gets bigger and better. This is a free fun event so call a Center to sign up today.

Lacrosse, the fastest sport on two feet, is growing even faster across the USA than the pace of play. Lacrosse is a fun, fast, challenging and exciting game and we can teach you the fundamentals in a safe fun environment. This program is for boys and girls and we even supply the equipment. Please visit the Machnica Community Center and sign up today or call 824-5397 for additional information. Classes are on Thursdays from 7pm- 8:30pm.
